Robust and balanced rifle for versatile hunting in the plains.

The **Fair Classic Acier 12/76 gauge shotgun** offers an excellent compromise between elegance, reliability, and affordability. Designed for plains hunting, it combines high-quality materials and perfect balance for precise and responsive shooting.

- High-strength **single-piece steel rocker**
- High strength **UM7 steel barrels**
- 1/4 & 1/2 **Fixed Chokes**
- **Double bottom locking** and interchangeable trunnions
- **Selective single trigger or double trigger**

Designed for hunting in the plains, the Fair Classic Steel combines a one-piece construction and careful balance for a natural shouldering action.

Strength and durability

The one-piece steel receiver and UM7 barrels withstand heavy use, season after season.

Shooting balance

Its carefully designed center of gravity and stock shape ensure rapid shouldering and smooth target acquisition.

Versatility on the field

The fixed 1/4 & 1/2 chokes offer a ready-to-use configuration, suitable for shooting in open fields and variations in environment.

Maintenance and options

Tool-free disassembly and interchangeable trunnions facilitate cleaning and maintenance.

- **Stock:** Select walnut, sanded and oiled
- **Length:** 100 cm
- **legal category:** C
- **approval:** PROOF STEEL SHOT

- **Finish:** Silver rocker

FAQ - Questions/Answers

Why fixed chokes?
They offer a simple and reliable setup, with no risk of assembly errors in the field.

How do I maintain this rifle?
Quick disassembly allows for cleaning of the barrels and lubrication of the breech and trunnions.

What type of ammunition should be used?
Lead or steel balls compatible thanks to the PROOF STEEL SHOT test.

Which reference should I choose for relaxation?
Ref DC12 for double trigger, ref DC12M for single selective trigger.

Can I opt for an English stock?
Yes, an English stock option is available at a price of €50.
