Designed for hunting

Compact and agile, this **20-gauge over-and-under** shotgun is optimized for driven shooting. Its 55 cm barrel length ensures excellent maneuverability in wooded environments while offering remarkable accuracy.

Fast and efficient aiming

The fiber optic sights and the battue rib with adjustable rear sight allow for rapid target acquisition, even in changing light conditions, for accurate and safe shots.

Robustness and quality

Its **single-piece steel action** and double low locking system guarantee longevity and resistance to the stresses of hunting. The pistol grip stock and tulip forend in solid, oil-sanded walnut, with non-slip checkering, ensure comfort and optimal grip.

Options and customization

- Available in selective single trigger or double trigger
- English stock option for 12 gauge (+€50)
