**The Classic Steel range is made up of weapons selected for their strength, reliability and versatility.**

- High resistance monobloc steel rocker
- Double locking bottom
- Solid walnut pistol grip and tulip front with non-slip grid and oiled sanded finish.
- Interchangeable steel trunnions
- High strength steel barrels (UM7)
- Supplied with 5 interchangeable chokes.

All the reliability and elegance of Italian know-how in gunsmithing.

The FAIR Classic Steel takes up pure and traditional aesthetic lines.

The quality of the woods and steels used in the design of this shotgun make it an unfailing ally for hunting, which will last over time.

It is distinguished by its versatility and will allow the hunting of all types of small furry or feathered game.

The 20 caliber is particularly appreciated by the most experienced hunters for its sporty character. Indeed, it requires all the skill and precision of the shooter to reach its target, given its denser spray.

Selective mono trigger without supplement

English stock for caliber 20 without supplement
