Maneuverability and speed

Thanks to its **Ergal 55 frame** and its **short 66 cm barrels**, this rifle offers a smooth grip and optimal responsiveness for rapid shots, particularly effective in undergrowth.

Versatility in the field

Without being a specialized woodcock, its configuration allows great versatility: lively and agile in dense environments, and offering effective range in the plains thanks to its adapted barrels.

Finishes and durability

The **stock in oiled and sanded walnut**, worked using an exclusive process, combines comfort and aesthetics. The **UM7 steel barrels**, tested with steel balls, guarantee reliability and longevity.

- Ventilated sight strip with fiber optic front sight
- Double bottom locking with interchangeable steel pins
- English cross option
- Left-handed option available
