Fair Racing

Special steels and exclusive rockers are the strengths of the RACING models by FAIR®.

The locking system, with lock on double hook, the care of the finishes and the precise focusing make them high quality weapons.

Action frames with reinforcement cheeks, multi-layer tan with golden engravings, adjustable triggers, central sight line on wide “STRADA” type upper band, interchangeable fiber optic front sight in three colors, ergonomic stocks with XR-STOCK® adjustment system (depending on model), new design grids and FX-WOOD finish.
