Stylish and versatile bunk for all types of small game.

The **Fair Classic Steel over-and-under shotgun** combines the strength of a one-piece steel action frame, **Fair** mechanical reliability, and a stylish engraved finish. Designed for hunting all types of small game, it offers great versatility thanks to its 5 interchangeable chokes.

- **Caliber** : 12/76 mm
- **Capacity** : 2 shots
- **Barrel** : 71 cm UM7 steel, high resistance
- **Weight** : 3.20 kg
- **Chokes** : 5 interchangeable included
- **Trigger** : double trigger or selective single trigger
- **Rocker** : engraved steel, double bottom locking

Designed to adapt to all terrains, the Fair Classic Steel guarantees a smooth and controlled hunting experience, season after season.

Versatility on the field

Thanks to its 71 cm barrels and five chokes, you can vary the shot pattern according to the distance and type of small game (plains, undergrowth or wetlands).

Proven durability

The one-piece engraved steel rocker, equipped with a double bottom locking system and interchangeable trunnions, ensures exceptional durability.

Release mechanism

You choose between the double trigger, for direct access to each barrel, and the selective single trigger, to instantly alternate firing via an integrated selector.

Care and use

The simple Fair mechanism makes disassembly and cleaning easy. Its optional carrying case protects your rifle during transport.

- **double locking:** bottom
- **trunnions:** interchangeable steel
- **Length:** 100.6 cm
- **legal category:** C
- **Warranty:** 2 years manufacturer's

FAQ - Questions/Answers

Which chokes are best for forestry?
A cylinder or 1/4 choke is needed to open the shot pattern when firing instinctively. A tighter choke (full) is used to limit the shot pattern opening under branches.

How to maintain the engraved rocker?
Clean gently and apply a light oil to preserve the engravings.

How to choose between the two relaxation methods?
The double trigger offers mechanical simplicity, the selective single trigger allows for quick barrel changes.

Can I add an English stock?
Yes, an English stock option is available for 12 gauge at a price of €50.

What warranty does this rifle cover?
Fair 2-year warranty on the rocker and mechanisms.
