Combines the advantages of the Fair Classic range with the lightness of the rocker in Ergal!

The Classic range from FAIR offers high quality, efficient and durable hunting overlays.

The Italian gunsmith makes it a point of honor to the quality of the materials (wood, steel) he uses, and takes the greatest care with the finishes. This results in a flawless, well-balanced over-and-under shotgun with an intuitive grip.

Its caliber brings a "sport" character to hunting days. Indeed, in front of its tighter sheaf the hunter will have to deploy all his skill and precision to hit his target.

Pistol or English stock optional at no extra charge.
