Compact and precise slug over-and-under for driven hunts.

The **Fair Traqueur Slug over-and-under shotgun** is specially designed for big game driven hunts. Compact, handy and robust, it offers rapid target acquisition and optimal accuracy thanks to its specific sights.

- **Caliber** : 12/76 mm
- **Capacity** : 2 shots
- **Barrels** : 46 cm, smoothbore & 1/2 choke
- **Weight** : 2.90 kg
- **Ejection** : extractors
- **Trigger** : selective single trigger or double trigger
- **Rocker** : high-strength single-piece steel

Designed for hunting

With its **short 46 cm barrels**, the Fair Traqueur Slug offers exceptional maneuverability to follow the rapid movements of game in forests or dense areas. Its balance favors a quick and instinctive shoulder.

Optimized sights

The **battue rib with adjustable rear sight** and the fiber optic front sight ensure clear and fast aiming, even in low light. The luminescent dots facilitate target acquisition in dynamic situations.

Robustness and reliability

The **one-piece steel action** and double low-lock design ensure strength and durability. This rifle withstands the most demanding conditions while maintaining consistent accuracy.

Versatility of use

Available in **single-trigger** or **double-trigger**, the Tracker Slug adapts to the hunter's preferences. The smooth & 1/2 chokes allow for effective use with bullets and pellets.

- Available in selective single trigger at no extra cost
- English stock supplement for 12 gauge: €50
- Left-handed option: €75
- Ideal for wild boar and other hunting game
