**Adversus monobloc mounts are designed specifically for the TLD, extra wide 6-screw collars for maximum precision.**

The Audere Adversus™ one-piece mount is designed for snipers, law enforcement, and demanding sportsmen. Compatible with 1913 and NATO rails, it provides exceptional stability for your precision scopes. With the ScopeLink™ interface, you can customize your rig with a variety of optical accessories, providing unmatched flexibility in the field. Each component is CNC machined from 7075-T651 aluminum, ensuring optimum durability and zero repeatability.

- Fixed mount in 7075T6 aluminum
- Very rigid 6 screw mount compatible with Mil Spec 1913 rails.
- Jaw tightening 5Nm max.
- Tightening of the clamps 3Nm max.

The Adversus™ mount design ensures uniform pressure, preventing any movement or deformation of the scope, even in extreme conditions. The Type 3 Hardcoat anodized finish offers increased resistance to wear and corrosion. Available in several diameters (30 mm and 34 mm), heights (19 and 21 mm) and tilts (0, 20, 25, 40 MOA), it adapts to your specific needs.
