Elegance, reliability and performance are the key words of FAIR in the design of their shotguns.

Its classic lines and the finesse of its engravings make it a pleasant hunting weapon to look at.

The 20 caliber is particularly appreciated by the most demanding hunters for its sporty character. In addition to its reduced recoil, its sheaf of pellets more tightened requires all the skill and precision of the shooter, to reach his target.

Mono selective trigger supplement

English stock supplement for 12 gauge
