JPX 6 - Protective spray

To keep your home the safest place in the world, you can protect yourself from unwanted visitors with JPX6. This convincing and highly effective system not only has compact ergonomics, but also an easy and comfortable grip.
Rechargeable as fast as an eyelash flicker and always at hand, the elegant JPX6 protects what is near and precious to you at all times.

Compact, ergonomic, intuitive handling, coupled with an unequaled projection speed. The JPX6 has a charger with quick and easy recharging system. Quickly interchangeable, secure and containing 4 charges of highly concentrated active substance, this charger is ready to use at any time to save what is crucial for you.

Patented quality for your safety

Superior quality and a compact design make the JPX6 a reliable defense that every home should have. As soon as the first charge has been struck, the JPX6 automatically changes its impact on the next cartridge. This assures you

saving precious time, while being well prepared against attackers, burglars ...

What makes the JPX 6 so special?

- **4 Active substance charges**

So that the JPX6 is immediately operational, the Speedloader is simply clipped to the butt.

- **Compact design**

The revolutionary design of the JPX6 combines maximum capacity with compact dimensions. Allowing the JPX6 to be stored
in a minimalist environment.

- **Innovative Propulsion System**

Unlike pepper sprays, the JPX 6 can boast a patented propulsion system similar to the trigger system of an airbag.

- **Maximum effect on target**

Its incapacitating stopping power, gives the JPX6 a unique efficiency and reliability.

- **Independent of weather conditions**

The patented propulsion system of the JPX 6 ensures that the objective is reached despite the wind and downpours.
