Optimal recoil reduction for increased accuracy.

The Audere Imperium muzzle brake is designed to significantly reduce recoil and barrel lift on 5.56mm caliber weapons. Made of high-quality steel with a black nitrided finish, it ensures durability and corrosion resistance. Compatible with 1/2x28 UNEF and M18x1 threads, it fits a wide range of rifles.

Technical characteristics:

- Material
- Finish
- Compatible caliber
- Available threads
- Length
- Weight
- Recoil Reduction
- Accessories included

This muzzle brake is specially designed for sport shooters and hunters wishing to improve the stability of their weapon when shooting. Its efficient design allows a significant reduction in recoil, facilitating faster and more accurate shots. Installation is simplified thanks to the included mounting hardware, allowing for quick and secure set-up. With a weight of 95 g and a length of 55 mm, it does not weigh down the weapon and maintains its natural balance. Whether for sport shooting or hunting, the Audere Imperium 5.56 mm caliber muzzle brake is an essential accessory to optimize the performance of your rifle.
