Maximize your accuracy with significant recoil reduction.

The Audere HMB muzzle brake is designed for demanding shooters looking to reduce recoil and barrel lift. Made of high-quality steel, it is available in black oxide or satin finishes, and fits 6.5, .30/7.62 and 9.3 calibers. Compatible with various threads, it offers easy installation and exceptional durability.

Technical characteristics:

- **Material** : High quality steel
- **Available finishes** : Oxidized black, Satin
- **Compatible calibers** : 6.5, .30/7.62, 9.3
- **Available threads** : 1/2"-20, M14x1, M15x1, 5/8"-24, M18x1
- **Weight** : Between 60 g and 73 g depending on the model
- **Length** : Varies depending on the model

- **Recoil Reduction** : Up to 50%

Designed for hunters and sport shooters, the Audere HMB Muzzle Brake effectively reduces recoil and barrel movement, improving shooting accuracy. Its high-grade steel construction ensures optimum strength, while the black oxide and satin finishes provide protection against corrosion. Available in 6.5, .30/7.62 and 9.3 calibers, it fits a wide range of firearms thanks to its various thread options: 1/2"-20, M14x1, M15x1, 5/8"-24 and M18x1. Installation is simple, allowing users to quickly benefit from the benefits of recoil reduction and improved accuracy. Whether for hunting or sport shooting, the Audere HMB Muzzle Brake is an essential accessory to optimize the performance of your firearm.
