Optimal reduction of recoil and barrel movement.

The IMPERIUM™ SHORT Muzzle Brake is designed for military, law enforcement, and sport shooters. Made of high-grade steel with a black nitrided finish, it provides significant reduction in recoil and barrel movement, improving accuracy and shooting comfort. Mounting hardware is included for easy installation.

Technical characteristics:

- **Available calibers:** .30 / 7.62
- **Available threads:** 5/8"-24, M18x1
- **Weight:** 95g depending on the model
- **Material:** High quality steel
- **Finish:** Black Nitriding
- **Mounting hardware:** Included

The IMPERIUM™ SHORT muzzle brake stands out for its compact and efficient design, aimed at optimizing the performance of professional and amateur shooters. Its high-quality steel construction guarantees exceptional durability, while the black nitrided finish offers increased resistance to corrosion. By effectively reducing recoil and barrel movement, this muzzle brake improves the stability of the weapon when shooting, promoting better accuracy and increased comfort. Available in several calibers and threads, it adapts to a wide range of weapons.
