Effective recoil reduction for improved accuracy.

The Audere Imperium Short muzzle brake is designed to significantly reduce recoil and barrel lift, improving the stability and accuracy of your shots. Made of high-quality steel with a black nitrided finish, it is compatible with .30 caliber (7.62 mm) and available in 5/8x24 UNEF and M18x1 threads.

Technical characteristics:

- **Material** : High quality steel
- **Finish** : Black Nitride
- **Compatible calibers** : .30 (7.62 mm)
- **Available threads** : 5/8x24 UNEF, M18x1
- **Length** : 55 mm
- **Outer diameter** : 24 mm
- **Weight** : 95 g
- **Accessories included** : Mounting hardware

Specially developed for .308 Win, .30-06 Sprg and .300 Win Mag calibers, the Audere Imperium Short muzzle brake reduces recoil and barrel lift by up to 50%, providing increased shooting comfort and better control of the weapon. Its compact design of 55 mm in length and 24 mm in external diameter makes it discreet while being effective. Weighing 95 g, it does not excessively weigh down the weapon. Installation is made easy thanks to the included mounting hardware, allowing for quick and secure installation. Whether you are a hunter or a sport shooter, this muzzle brake is an essential accessory to optimize the performance of your rifle.

- Significant reduction in recoil and barrel movement
- Made of high quality steel
- Black nitride finish
- Mounting hardware included
