- Manufactured by Daniel Defense 100% USA

The Delta 5 PRO .308 Win rifle combines innovation and expertise for demanding shooters. Available with a 20-inch barrel for increased maneuverability.

The one-piece aluminum chassis ensures optimal rigidity, minimizing vibrations for consistent accuracy. The stock is fully adjustable to perfectly fit your body shape and shooting position, offering unparalleled comfort and ergonomics.

The barrel is threaded (5/8x24) for the installation of a suppressor or muzzle brake. Furthermore, the interchangeable barrel system allows for easy adaptation to other calibers, increasing the versatility of your firearm.

Each Delta 5 PRO features an integrated 20 MOA Picatinny rail for mounting your precision scope and M-LOK attachment points for adding your favorite accessories. The receiver is machined with extreme precision, ensuring smooth and reliable operation.
