NUM155	NUM'AXES - CANICALM FIRST	Vente libre	65	64.00 € incl. tax

The CanicalmFirst anti-bark collar has been specially developed to offer you a simple anti-bark solution, without any adjustment.

Thanks to this anti-bark collar, you can once again be away from your home in peace.

When your dog barks for the first time, the Canicalm First collar simply emits an audible warning. If a 2nd bark is detected within 30 seconds, an audible warning and a weak electrostatic stimulation, of short duration, are emitted.

If further barks are detected within 30 seconds by the Canicalm First Bark Collar, it will automatically increase the duration and then the level of stimulation.

- Weight: 65 g (case + battery)
- Dimensions: 55 x 40 x 36 mm
- Power supply: 1 lithium battery 3 Volts CR2 (supplied)
- Nylon strap: length 64 cm / width 20 mm - adjustable at the neckline from 17 to 55 cm approximately

When your dog barks for the first time, the Canicalm First collar simply emits an audible warning. If a 2nd bark is detected within 30 seconds, an audible warning and a weak electrostatic stimulation, of short duration, are emitted.

If further barks are detected within 30 seconds by the Canicalm First Bark Collar, it will automatically increase the duration and then the level of stimulation.

If no barking is detected for 30 seconds, the collar will restart its operating cycle from the beginning (audible warning only).

2 years warranty

Waterproof collar

Autonomy: about 3 months
