VICTRIX SPORTING SYSTEMS

We are at the forefront of technology, we strongly believe in innovation, we have been studying from day one new solutions to apply to the components of our firearms.

And this is how our Sporting series was born, our contribution to the sporting field.

We create our systems with an Anima®, to become reliable partners for the best shooters.

We design accurate rifles to put them in the hands of sport shooters who aim for success. Choose from our Victrix Sporting systems, welcome to the firing line.

A benchmark in long range shooting (TLD)

The quality of manufacture and machining of VICTRIX guns make them rifles of very high precision, where only performance counts.

VICTRIX is a must in shooting competitions such as the King of 2 miles, the King of 1 mile or the prince of 1 mile.

Smooth mechanics, high precision barrel, premium materials. All the components needed for amazing groupings.
