VICTRIX PROFESSIONAL SYSTEMS

We are precision creators, we know exactly what it means to plan carefully, to carefully anticipate any possible evolution to adapt to unexpected changes and to craft them consciously.
That's why our Victrix professional systems have been designed with ergonomics in mind to give you freedom of choice.
To obtain the best chance of success, to ensure absolute security and reliability in all cases. To follow our main rules: precision, family feeling, lack of hindsight.
Choose from our Victrix Professional systems, our celebration of precision.

A benchmark in long range shooting (TLD).

The quality of manufacture and machining of VICTRIX guns make them rifles of very high precision, where only performance counts.

VICTRIX is a must in shooting competitions and in particular the King of 1 mile. Smooth mechanics, high precision barrel, premium materials. All the components needed for amazing groupings.
