*Maximum number of weapons according to their types and models.

In the context of the possession of category B weapons, it is mandatory to have a safe to keep the weapons in question out of reach of third parties. In general, it is strongly advised to put your weapons, whatever their categories (B, C or D) out of the reach of children and of possible intruders or thieves by storing them in a safe in an arms chest . This box must be fixed to the floor or to the wall.

Free delivery ensured by messaging service on the ground floor, not unpacked, in mainland France.

For Corsica, a transport package will be required.
