In the context of the possession of category B weapons, it is mandatory to have a safe to keep the weapons in question out of reach of third parties. In general, it is strongly advised to put your weapons, whatever their categories (B, C or D) out of the reach of children and of possible intruders or thieves by storing them in a safe in an arms chest. This box must be fixed to the floor or to the wall.

Free delivery ensured by messaging service on the ground floor, not unpacked, in mainland France.

For Corsica, a transport package will be required.
