Design and ergonomic battue scope

- Compact and designed for driven wild boar hunting.
- Multi-layer optical treatment for good light transmission.
- 11 light intensity levels
- Tool-free adjustable hunting turrets with protective cap

An affordable hunting scope, which will provide all the reliability and precision expected for quality optics.

Dedicated to driven hunting of big game, its low magnification and its bright red point will allow you to apprehend moving targets at short distance.

Mounted on a semi-auto rifle, the Diamond 1-4x24 will prove formidable in terms of precision and efficiency in front of a company of wild boar.
