The technical objective of FABARM was also to produce an express rifle using an Ergal receiver. In order to offer on the market a light and handy express rifle.

An extractor version of the ASPER 2 for those looking for an elegant and functional weapon.

The animal engraving with golden subjects is enhanced by an Ergal finish favoring weight.

The barrel with a length of 55 cm has an adjustable convergence at its muzzle and sights with fiber optics. The buttstock with its pigtail profile allows fast and precise aiming.

In order to optimize the extraordinary quality/price ratio of this express, FABARM offers a specific removable mounting that will allow the use of your ASPER 2 CLASSIC express with a red dot at a lower cost.
