Delivered in black ABS case

This pack offers a German quality AR-15, ensuring precision durability and robustness, with its FALKE aiming aid.

This set allows shots at short and medium distance.

Offered at an affordable price, this pack made up of quality products will delight the sports shooter looking for a quality ar15.

Its red dot allows ultra-fast and efficient aiming, with both eyes open, for ever faster and more accurate shots.

Its 14.5" barrel corresponding to the military standard, represents versatility par excellence. Relatively compact, it allows dynamic shooting in a closed environment with excellent reactivity of the weapon and long enough to have the range necessary for target shooting at longer distances.
