The big brother of the X149 with even greater efficiency. Noise reduction of up to 34.5 dB, ideal for protecting hearing and improving shooting comfort.

The **STALON XE149 silencer** is designed to provide maximum efficiency in hunting and precision shooting, while maintaining the balance of your weapon thanks to its semi-overbarrel design.

- **Design Type:** Semi-Overbarrel Muffler
- **Total length:** 270 mm
- **Barrel length:** 149 mm
- **Diameter:** 49.5 mm

- **Weight:** approx. 430 g
- **Materials:** Anodized aluminum and stainless steel core
- **Average attenuation:** 29–34 dB depending on caliber
- **Available threads:** M14x1, M15x1, M18x1, 5/8x24 UNEF
- **Compatible calibers:** .223 to .375
- **Color:** matte black
- **Made in:** Sweden

A versatile, high-performance silencer

The **STALON XE149** is designed for hunters and sport shooters looking for **optimal noise reduction** and maximum user comfort. Its semi-overbarrel design limits the weapon's extension, while offering attenuation of up to **34.5 dB** , one of the highest performance on the market in its category.

Adaptability and compatibility

Thanks to its multiple threads, the XE149 fits a wide variety of modern rifles. Whether you're **hunting from a stalking position** , **driven hunts** , or **long-range shooting** , it guarantees a perfect fit and consistent accuracy.

- **Compatible Threads:** M14x1 (.223, .243, 6.5mm), M15x1 (.30, .375), M18x1 (.30, 8mm), 5/8x24 UNEF (.30, .375)
- **Supported Calibers:** .223 Rem, .243 Win, 6.5 Creedmoor, .308 Win, 30-06, .300 Win Mag, 8x57/8mm, .375 H&H
- **Recommended use:** active hunting, precision shooting, driven hunt and stalking
- **Durability:** Anodized aluminum body with stainless steel core
- **Longevity:** designed for intensive use

Comfort and precision at the rendezvous

Weighing approximately 430g and with a small diameter of 49.5mm, the XE149 ensures **perfect balance** on the weapon. Its multi-chamber design optimizes gas dispersion to limit recoil and maintain **shot stability** . The result: accuracy is maintained even during extended series of shots.

An investment for demanding enthusiasts

Choosing the STALON XE149 means choosing a **high-end silencer** , designed to last and offer the best performance. Whether it's to preserve your hearing, improve your shooting comfort or remain discreet when hunting, it represents an essential solution for calibers from .223 to .375.

Swedish technology serving passionate hunters and shooters.
