SIP2039	STALON, GRAISSE POUR SILENCIEUX, 25G	Vente libre	25	10.00 € incl. tax

Extend the life of your muffler with a high-performance grease.

STALON grease provides lubrication and protection for the threads of your barrel and silencer, ensuring reliable assembly and disassembly in all conditions.

- **Compatibility:** Barrel thread and STALON silencer (including interchangeable parts)
- **Packaging:** 25g tube
- **Dimensions:** length 110 mm, width 40 mm
- **Weight:** 25 g
- **Formula:** Moly #277 High Strength Grease
- **Color:** transparent red
- **Resistance:** to bad weather, high temperatures and high pressures

Essential maintenance for your STALON silencers

STALON grease is specially designed to protect and lubricate the **threads of barrels and silencers** . It can also be applied to the removable parts of interchangeable models, ensuring smooth assembly and preventing premature wear.

A strong and reliable formula

Made from **Moly #277 grease** , it is designed to withstand **extreme conditions** : high heat generated by repeated firing, significant mechanical pressure and humidity. Its **transparent red** color allows for uniform and visible application.

Practicality and durability

Presented in a **compact 25g tube** , STALON grease is easy to carry and apply. Its formula guarantees **long-lasting performance** , even after several intensive shooting sessions, reducing the risk of thread seizing or corrosion.

- **Use:** barrel and silencer thread, removable parts
- **Resistance:** weather, heat and pressure
- **Tube dimensions:** 110 mm x 40 mm
- **Color:** transparent red

An asset for the longevity of your equipment

A well-maintained silencer not only offers better performance but also a **longer service life** . STALON grease is the essential ally for maintaining the reliability and accuracy of your hunting and shooting equipment.

Use **STALON grease** and ensure your silencers operate optimally in all conditions.
