BCM hunting rifle with synthetic thumbhole stock for better grip.

The benefits are multiple:

- Higher ball speed.
- Improved groupings.
- Reduced copper deposit.
- Simplified and less frequent cleaning.

A complete pack for discreet stalking with its STALON sound reducer.

With a rifle with a high precision barrel, its clear, bright and sharp bezel as well as its birch cane, stability and precision will be at the rendezvous. The best way to reach your target for sure.

The 3 stud lock of the BCM rifle has two advantages:

- More even distribution of pressure for greater safety and preservation of mechanical parts over time
- A reduction in the locking angle, which allows faster rearming thanks to a reduced range of motion.
