- Supplied with two 10-round magazines

Enjoy the design of the AR15, but in category C with its 222 Rem caliber and its Straight Pull operation. The SP15 LMR is dedicated to precision shooting, with its floating match barrel and its IPSC-compliant NOREX muzzle brake.

Schmeisser lives up to its reputation with the SP15. The mechanics have a pleasant fluidity, a perfect adjustment of the moving parts as well as an irreproachable finish.

Its totally ambidextrous design makes it equally suitable for a right-handed or left-handed shooter.

Its Picatinny and M-LOK mounting systems allow a large number of combinations for mounting scopes, red dots or accessories.
