Improve your accuracy by reducing gun lift.

The Audere TSO™ Muzzle Brake is specifically designed for 9mm chambered firearms, designed to reduce muzzle movement while firing. Made from high-grade steel with a black nitrided finish, it offers durability and corrosion resistance. Compatible with 1/2"-28 threads, it easily installs on a variety of 9mm handguns and rifles, intended for tactical and sport shooting.

Technical characteristics:

- **Material** : High quality steel
- **Finish** : Black Nitride
- **Compatible caliber** : 9 mm
- **Thread** : 1/2"-28
- **Weight** : 73 g
- **Installation** : Easy, compatible with various 9mm weapons

By effectively reducing barrel lift, the TSO™ Compensator enables faster and more accurate shots, improving the shooter's overall performance. Its robust design made from high-grade steel ensures a long service life, while the black nitrided finish provides additional protection against wear and the elements. Weighing in at 73g, it adds minimal mass to the weapon, preserving its natural balance. Whether you're a sport shooter or a professional, the Audere TSO™ Compensator is an essential accessory to optimize your 9mm shooting sessions.
