For safe aiming even in the dark!

The MAK Hellfire is suitable for all Glock models currently on the market (including Gen 5).

- 5 brightness levels + 2 NV levels
- Dimensions: 81x70x19mm
- Weight: 229g

The MAK Hellfire system is an innovative illuminated sight to allow its user to align his target even in the most degraded visibility conditions.
Triggered by a motion detector, the system consists of two points illuminated actively, and a third is passively illuminated by an illuminator. Several modes and intensities are available: night vision, flash, "ready to fire" signal...
