**Designed for demanding professionals, the Fabarm STF 12 Short FE offers unmatched performance in a compact format.**

The Fabarm STF 12 Short FE stands out for its advanced technical features. Its 28 cm barrel has an 18.4 mm bore and an Inner HP Accuracy choke, ensuring remarkable precision. The Ergal 55 frame, combined with a Cerakote Flat Earth anti-reflective finish, offers robustness and discretion. The rifle is equipped with MIL-STD 1913 Picatinny rails on the top and under the handguard, facilitating the addition of tactical accessories. The integrated muzzle brake reduces recoil, improving control during successive shots. Tested at a proof pressure of 1630 bar, the STF 12 Short FE guarantees exceptional reliability even in the most rigorous conditions.

Ergonomic, comfortable with its high quality HRA shock absorber, this fixed stock allows impressive precision shot after shot, all with perfect handling. It can also be equipped with a MIL-STD 1913 PICATINNY RAIL.
