

Cal. 12

**Designed for demanding professionals, the Fabarm STF 12 Short FE offers unmatched performance in a compact format.**

The **Fabarm STF 12 Short Flat Earth** is a Category B pump-action shotgun designed for sport shooters. Compact and reliable, it combines robustness and precision.

- **caliber:** 12/76
- **capacity:** 5+1 shots
- **barrel length:** 36 cm
- **total length:** 62 cm
- **weight:** 3950 g
- **stock:** synthetic

### Compact design

With its overall length of 62 cm, the **Fabarm STF 12 Short shotgun** offers excellent maneuverability. This short format facilitates quick sequences at the shooting range.

### Robust materials

The **Ergal 55 frame**, a lightweight and strong aluminum alloy, guarantees durability and strength without weighing down the weapon. Combined with a **synthetic stock**, it ensures reliable use over time.

### Cerakote finish

**Cerakote Flat Earth** is a ceramic coating applied to metal. It effectively protects against wear, corrosion, and scratches, while providing a discreet, matte appearance.

### Enhanced accuracy

The 36 cm barrel features an **Inner HP Accuracy choke**, designed to stabilize the pattern and improve shot consistency. The integrated **muzzle brake** reduces recoil, increasing comfort and control during successive shots.

### Modern facilities

**MIL-STD 1913 Picatinny rails** allow for easy mounting of accessories such as optics or grips. Removable sights (diopter and front sight) allow for customization to the shooter's preferences.

- **muzzle brake:** included
- **Picatinny rails:** above and below the handguard
- **sights:** detachable diopter and front sight

- **type of relaxation:** Racing
- **test pressure:** 1630 bar
- **packaging:** cardboard box
