A compact, removable silencer offering 32 dB of noise reduction.

The **RECKNAGEL SOB2** silencer

- **Noise reduction:**
- **Compatibility:**
- **Total length:**
- **Diameter:**
- **Weight:**
- **Materials:**
- **Available threads:**

A silencer optimized for modern hunting

The **RECKNAGEL SOB2** is designed for demanding hunters who want a high-performance, easy-to-use sound suppressor. Its **removable design** simplifies cleaning, extending its lifespan and ensuring consistent performance over time.

Technology and shooting comfort

Thanks to its **aluminum baffle system**, it effectively eliminates the "**first-round-pop**" phenomenon, thus reducing the sound signature from the first shot. Its design also allows for a significant **reduction in recoil** and **muzzle flash**, guaranteeing a pleasant and safe shooting experience.

Practical advantages

- **Net length:** only 105 mm protruding from the barrel
- **Tested by DEVA:** reduction up to 28 dB according to protocol
- **Magnum compatibility:** can be used with powerful calibers from 58 cm barrel
- **Coating:** Meets **MIL-SPEC** standards for increased strength

A safe choice for hunters

With its low weight and **optimal mass distribution** , the SOB2 preserves the weapon's balance and improves handling. Whether for hunting from a hide or stalking, it offers an **ideal compromise between discretion, performance and reliability** .

The **RECKNAGEL SOB2** is a reliable investment for any hunter looking to combine acoustic efficiency and durability.
