FA1381	FABARM SEMI-AUTO XLR BULRUSH MAX 5 - 12/76 - 76 CM - 5 CI	AW599	C	cal. 12	76 mm	3	ST	5 I.C.	76	1780.00 € incl. tax

A semi auto shotgun with a Bulrush Max 5 camo finish!

The Fabarm XLR Bulrush Max 5 rifle is a semi-auto hunting rifle chambered in 12/76 caliber, ideal for hunting migratory game. The Ergal carcass reduces the weight of the weapon while maintaining unflinching strength.

The stock and handguard benefit from Soft Touch coating, a unique treatment to improve grip in the most extreme weather conditions. Once treated, a composite or camouflage takes on a rubbery texture for better hold of the weapon.

The 76 cm barrel allows projectiles to quickly reach very high speeds and makes it easier to aim for more precise long-distance shooting. Thanks to the Tribore HP Barrel process, Fabarm is the only manufacturer to offer the possibility of firing steel ball cartridges in FABARM Inner HP and Exis HP chokes greater than the half choke.

For better support of the weapon when shooting, the weapon is equipped with a pistol grip.

With its weight of 3.20 kg, this weapon will absorb a significant part of the recoil when shooting to relieve the hunter's shoulder.

- 12/76 gauge
- 71 cm barrels with Tribore HP process and proven 1630 BAR
- 2+1 shot capacity
- ergal frame with Soft Touch coating on the stock and handguard
- Comes with 5 interchangeable chokes and carrying case
