Kinetic reliability and modern comfort for active hunting.

The **Impala Plus Nero S semi-automatic shotgun** combines mechanical reliability, shooting comfort, and exceptional robustness. Available with a **71 or 76 cm barrel**, it caters to the preferences of discerning hunters.

- **Barrel** : 71 or 76 cm chrome-plated inside and out - Proofed: steel shot
- **Operation** : Inertia system with patented 6-pin rotary locking
- **Chokes** : 5 interchangeable chokes included
- **Capacity** : 2+1 shots
- **Sights** : TruGlo fiber optic front sight & milled housing to accommodate a scope.
- **Stock** : Black synthetic with pistol grip and Gecko Touch coating
- **Butt plate** : flexible recoil pad
- **Finish** : matte black

Available in two barrel lengths (71 and 76 cm), the Impala Plus Nero S semi-automatic shotgun stands out as a relevant choice for the hunter who expects reliable operation, good shooting feel and excellent adaptability in the field.

A proven inertial mechanism

The Nero S features a patented inertia-driven mechanism with a 6-lug rotating bolt. This system minimizes residue, improves cycle reliability, and simplifies maintenance. It's a strategic choice for those seeking a durable and effective firearm.

Two barrel lengths to choose from: 71 or 76 cm

The chrome-lined barrel (interior/exterior) is available in 71 cm for greater maneuverability, or in 76 cm for increased range. Both are **steel shot proofed** and feature an 18.7 mm bore for improved shot pattern consistency.

Shooting comfort and handling

The ergonomic stock with pistol grip is finished with a Gecko Touch coating, comfortable to hold even in wet conditions. The butt plate effectively absorbs recoil for extended comfort.

Quick aiming, interchangeable chokes

The TruGlo fiber optic front sight ensures rapid target acquisition. The 5 included chokes allow you to adapt your shot to the situation (shot or slug, short or long distances).

FAQ

What is the difference between the 71cm and 76cm versions?

The 71cm barrel is more maneuverable, ideal for hunting on the move or in dense environments. The 76cm barrel offers greater range and consistency for longer shots.

Are the chokes compatible with steel shot?

Yes, the chokes supplied are suitable for steel ammunition, in accordance with the barrel proofs.

Is this rifle easy to maintain?

Yes, the plug and turn system makes disassembly easy for quick and uncomplicated maintenance.
