IS1161	76 cm gun	CB670	C	cal. 12	76 mm	3	ST	Eject.	5 I.C.	656.00 € incl. tax

### Semi-automatic shotgun at an excellent price/performance ratio!

Excellent semi-automatic hunting rifle. The inertia repeater mechanism brings reliability and lightness to the weapon.

- Black synthetic stock with pistol grip
- Ultra comfortable soft anti-recoil butt plate
- Ergonomic trigger block & fiber optic handlebars
- 6-pin twist lock system (patented)
- Chromed interior/exterior barrel of 71 cm (28") or 76 cm (30") proven steel balls
- 5 chokes included: full (I) - Improved Modified (II) - Modified (III) - Modified Cylinder (III) - skeet (IIII)

The new Impala Plus kinetic system semi-automatic shotgun has gained a lot of market share with its technical characteristics, flawless operation and wide range of designs. Impala Plus, which has filed patents, was produced with its own technological engineering studies.

### UNIQUE DESIGN

Its unique design, elegant lines and ergonomic structure have been produced with technological engineering studies.

### MAXIMUM RELIABILITY

Its maximum shooting success has been proven with a margin of error of 0.06 over 5000 shooting tests carried out in the presence of a notary public.

### SAFE SECURITY

You can keep the weapon at home in complete safety thanks to the plug and turn crown which detaches in a single gesture.

### PERFECT OPERATION

The special steel rails inside the case do not damage the case during operation of the mechanism and do not cause friction and snagging problems.

## **REGISTERED PATENT**

Many parts and mechanisms used are registered by national and international patent institutes.

## **18.7 IMPALA CANNON ADVANTAGE**

The large bore diameter reduces friction and recoil, and provides excellent grouping by preventing shot warping.

## **HIGH VISIBILITY**

Thanks to the rear sight and the original TruGlo front sights, it offers great visibility even in low light conditions.

## **EASY ASSEMBLY**

Whether at home or in difficult terrain, you can easily disassemble and install the mechanism group.

## **INNOVATIVE FEATURES**

Impala Plus has many innovative features in terms of design and quality.

## **PERFECT DOMINATION**

It offers excellent control thanks to the non-slip Gecko Touch material produced with Overmold technology.
