AR15 Milspec standard cocking lever.

Aero Precision AR15 ambidextrous cocking lever is based on a very elaborate design including left and right side activation levers to load your weapon with either hand.

This rugged grip is made in the USA from 7075-T6 aluminum, black anodized with our laser etched Aero Precision logo.

AERO PRECISION is recognized worldwide for the quality of these guns, and is an excellent manufacturer to Mil-Spec standards for AR15 custom builders.

- 7075-T6 aluminum Black anodized
- Laser-engraved Aero Precision logo
- Made in the USA
