Improves comfort and strengthens your grip on Picatinny rails.

Daniel Defense rail panels are made from Santoprene, which is able to withstand temperatures up to 300 degrees, protecting your hand from excess heat while protecting your rail system.

Each panel is 7 inches long and can be cut to the desired length to fit rail mounted grips and accessories or to fit any picatinny rail system. Available in black and three panels are included in one package.

- Fits 1913 (Picatinny) rail systems only
- Not compatible with KeyMod or M-LOK rail systems
- Made of Santoprene, heat resistant up to 300° Fahrenheit
- Made in the USA!
