MONZA .308 bolt action manual repeating rifle

The Monza has everything to deliver what you expect from a modern rifle. A simple, lightweight and reliable design gives the highest level of confidence in all kinds of circumstances. The easy-to-use slide moves through the receiver in a perfect way to ensure the best shot tracking. It can be dismantled in the field without any tools and ready to operate in various scenarios. It offers both easy tracking of shots in closed areas and perfect accuracy at long range. It allows rapid multiple shots thanks to its perfect operating mechanism and excellent balance.

Having many years of experience with rifles, Istanbul Silah includes all of its design, R&D and 100% production efforts under one roof. Produced with a next-generation quality culture that combines skilled hands with the highest technology.

Cannon:
Original Monza barrel with button rifling, made of high performance steel. With 4 grooves, 4 sets a 1/10 RH(20", 22") and 1/12(24") RH twist rate and finished with an 11° crown. Anodized finish for maximum scratch and corrosion protection Muzzle thread available for all models.

Lockdown :
The Monza lock mechanism can be disassembled without any tools. By simply twisting the firing pin cap, you can remove and clean the firing pin, striker spring and follower in the field when needed.

Glasses holder and rail:
The Mil STD 1913 22mm picatinny rail is detachable, the receiver is suitable for schewenk. The Monza comes ready to install different types of mounting bases when the picatinny rail is removed. The universal 2 inch, 22 mm bipod rail is compatible with most accessories.

Charger:
Easily detachable 4+1 steel magazine. Thanks to the double row, faster loading and comfortable use.

Stock with optional adjustable comb:
The perfectly ergonomic synthetic stock reinforced with fiberglass combines lightness and durability. The option of fixed or adjustable comb allows a perfect harmony between the rifle and the shooter.
