The compact monocular to have in your pocket at all times, whether hunting or walking.

The optical quality of NikkoStirling in a compact, wide-angle monocular that will follow you everywhere.

With a magnification of 6x and a 30mm objective lens, you have a twilight index of 13.4, an excellent compromise between low light vision and the size of this monocular.

The 6x power allows a clear and stable view of the subject, even when holding the optic with one hand.

Delivered with: a cover with belt loop, 1 optical cloth.

- Shock resistant: For rugged use in the field
- Telescopic eyepieces for spectacle wearers.
- Waterproof
- Excellent field of vision: 184 m at 1000 m
- Minimum focus: 4 m
- Eye distance 20 mm and pupil diameter: 5 mm
- BaK-4 type prism
- Rubber armor: non-slip, quiet and durable protection
- Multi-coated lenses: Anti-reflex coatings for sharp images and improved light transmission
