This version of the PFS9 has a black slide combined with an FDE (Flat Dark Earth) frame.

Made from high-strength reinforced polymer, P80® pistol frames feature an aggressive standard texture on the sides, front and rear for optimal grip in a variety of environments. The full slide features front and rear serrations combined with clean, modern lines, as well as a prominent front chamfer that allows for efficient handling and holstering of a P80® pistol while maintaining a low-profile aesthetic profile. Based on the Glock 17, the PFS9 is compatible with Austrian brand **Gen 3 parts only**. The P80 PFS9 is chambered in 9mm Luger caliber.
