The Audere Shadow tripod is designed for sports shooting.

Carbon fiber legs and aluminum body reduce weight to just 2200 grams (77 oz). Height varies between 710mm (27 inches legs open) and 1630mm (64 inches) with lockable washers that give reliable adjustments. The legs can be independently adjusted in height with three points and are equipped with rubber feet. The head features an ARCA and Picatinny interface with Quick Detach lever and adjustment knob for the best flexibility. All head movements can be quickly locked with a single extended lever without leaving the shooting position.
