NUM731	NUMAXES - 360° Camera CAM1071	Vente libre	17	17	32	1550	550.00 € incl. tax

Effectively monitor your spaces with the CAM1071 camera, offering complete coverage and exceptional image quality.

The NUM'AXES CAM1071 camera is equipped with a dual 4-megapixel CMOS lens, allowing dual live video on smartphones, with panoramic views and close-ups. Thanks to artificial intelligence, it detects human presence and automatically tracks movements. Its night vision offers color or infrared images, ensuring optimal surveillance even in the dark. Compatible with 3G and 4G networks, it guarantees a stable connection anywhere.

Powered by solar panel and built-in rechargeable batteries.

Technical characteristics:

- Lens
- Rotation
- Optical zoom
- Night vision
- Power supply
- Connectivity
- Mobile app
- Waterproof rating
- Additional functions
