The M-Lok rail allows the addition of numerous accessories.

The DDM4 V7 AR15 features M-LOK mounting technology with the Daniel Defense MFR 15.0 rail. Built around a 16-inch cold-forged barrel, the V7 is equipped with a muzzle brake improved by Daniel Defense to reduce the heat signature of flash and reduced recoil. The mid-length gas system ensures smooth, reliable operation in all conditions and reduces both perceived recoil and wear on moving parts.

With 7-position M-LOK mounting points and an uninterrupted 1913 Picatinny rail on top, the V7 has plenty of room for sights, optics and accessories the user may need. The independently ambidextrous GRIP-N-RIP charging handle fits both left- and right-handed shooters. This rifle also comes with the Daniel Defense ergonomic stock and pistol grip.

- **Lower:** Mil-Spec with improved flared magazine well and rear receiver QD attachment point. CNC machined from 7075-T6 aluminum, Type III hardcoat anodized.
- **Upper:** Mil-Spec with index marks and M4 feed ramps. CNC machined from 7075-T6 aluminum, Type III hardcoat anodized.
- **Barrel:** Chrome Moly Vanadium Steel, cold hammer forged, 1:7 Twist, 16" government profile, mid-length gas system, chrome lined, Mil-Spec Heavy Phosphate Coated, and HP/MPI tested.
- **Gas Block:** Low profile gas block, CNC machined from 4140 hardened steel and Mil-Spec heavy phosphate coated, mid-length, direct impaction
- **Muzzle Device:** Daniel Defense Flash Suppressor, 17-4 PH stainless steel, salt bath nitride finish
- **Bolt Carrier Group:** M16 profile, tested to Mil-Spec MP, chrome coated, properly staked gas key.
- **Buffer:** Buffer H
- **Sights:** Sold separately
- **Handguard:** Daniel Defense MFR 15.0, CNC Machined of 6061-T6 Aluminum, M-LOK Attachment, Type III Hard Coat Anodized

- **Handle:** GRIP-N-RIP charging handle, CNC machined body from 7075-T6 aluminum, CNC machined handles and latch from 6061-T6 aluminum, heavy duty stainless steel bearing pins, Type III hard anodizing.
- **Stock extension:** 7075-T6 aluminum with 6 positions according to Mil-Spec standard
- **Stock:** Daniel Defense Buttstock, Glass Filled Polymer with Soft Touch Overmolding
- **Pistol grip:** Daniel Defense Pistol Grip, Glass-filled polymer with Soft Touch overmolding
- Made in the USA!
