### Daniel Defense H9: The encounter between the 1911 and the stryker

Discover the revolution brought by Daniel Defense to the world of handguns with the all-new DANIEL™ H9®. Designed to raise standards, this weapon embodies the perfect fusion of the ergonomics of a 1911 and the simplicity of aiming, as well as the ease of shooting and maintenance of a percussion pistol.

**Reduced recoil and muzzle-flip:** Thanks to its low bore axis, the DANIEL™ H9® delivers faster and more accurate follow-up shots, ensuring an exceptional shooting experience. The Low Bore Ax results in linear recoil and not with lifting. Which leads to increased precision.

**Modular Design:** The modular design allows for easy customization, allowing each user to configure the weapon to their individual preferences.

**Type 1911 Trigger with Safety Blade:** The Type 1911 straight trigger with safety blade provides precise control and safer use, highlighting Daniel Defense's commitment to safety and performance.

**Customizable Ambidextrous Controls:** Customizable ambidextrous controls provide exceptional ergonomics, allowing easy handling of the weapon in all situations.

**Aircraft-grade aluminum frame:** The aircraft-grade aluminum frame ensures exceptional lightness without compromising durability, providing rock-solid reliability.

### LOW DRILLING AXLE

The barrel axis is low, which reduces recoil and barrel rollover and allows for faster, more accurate follow-up shots.

### **STRAIGHT-PULL TRIGGER**

Straight 1911-style trigger for precise control.

### **AMBIDEXTROUS CONTROLS**

Ambidextrous controls and reversible magazine release button for better ergonomics.

### **READY FOR OPTICS**

Fully compatible with popular red dot optics for optimal shooting potential.

### **Features :**

- **FRAME:** Type 7075 aluminum for lightness and durability
- **BARREL:** Cold hammer forged stainless steel, no scratches 1:10
- **SLIDE:** CNC machined slide
- **SIGHTS:** Carbon steel with dovetail cut
- **TRIGGER:** stainless steel, straight recoil, with trigger blade safety
- **GRIP PANELS:** G-10 texture-balanced, fully removable
- **OPTICAL MOUNTING PLATE:** CNC machined
- **CHARGER:** Double stack carbon steel with low friction finish
- Made in the USA and backed by Daniel Defense's 100% Satisfaction Guarantee.
