- Lightweight alloy body equipped with an integrated Anschutz rail in the middle and an integrated Arca rail along its entire length, as well as a side system for mounting accessories.
- Front handguard with a 172.5 mm (6.79") Picatinny rail
- wider bridge
- Ergonomic and interchangeable zero-angle handle for standard AR platform
- Threaded barrel, supplied with protective nut.
- Action in AISI 630 machined from solid with an integrated rail inclined at 20 MOA
- The cylinder head is equipped with grooves and an ergonomic, interchangeable bolt handle.
- PVD finish on the action and the slide

- Victrix Sporting Plus single-stage adjustable trigger with two-position safety: standard setting approximately 400 g (14.11 oz)
- Heavy-duty reinforced carrying case, user manual and welcome kit
- Delivered without optics or bipod.

VICTRIX SPORTING SYSTEMS

We are at the forefront of technology, we firmly believe in innovation, we have been studying new solutions to apply to the components of our firearms since day one.
And this is how our Sporting series was born, our contribution to the sporting field.
We create our systems with an Anima®, to become reliable partners for the best shooters.
We design precise rifles to put them in the hands of sports shooters who aim for success. Choose from our Victrix Sporting systems, welcome to the firing line.

A benchmark in long-range shooting (TLD)

The manufacturing and machining quality of VICTRIX weapons make them very precise rifles, where only performance counts.

VICTRIX is a must for shooting competitions and in particular the King of 1 mile.

Smooth mechanics, a high-precision barrel, premium materials. All the components needed for incredible groupings.
