- PVD finish on the action and slide
- Victrix Sporting Plus single-stage adjustable trigger with two-position safety: standard setting approximately 400 gr (14.11 oz)
- Heavy-duty reinforced carrying case
- User manual and welcome kit
- Delivered without optics or bipod.

VICTRIX SPORTING SYSTEMS

We are at the forefront of technology, we firmly believe in innovation, we have been studying new solutions to apply to the components of our firearms since day one.

And this is how our Sporting series was born, our contribution to the sporting field.

We create our systems with an Anima®, to become reliable partners for the best shooters.

We design precise rifles to put them in the hands of sports shooters who aim for success. Choose from our Victrix Sporting systems, welcome to the firing line.

A benchmark in long-range shooting (TLD)

The manufacturing and machining quality of VICTRIX weapons make them very precise rifles, where only performance counts.

VICTRIX is a must for shooting competitions and in particular the King of 1 mile.

Smooth mechanics, a high-precision barrel, premium materials. All the components needed for incredible groupings.
