The Kimber 1911 RAPIDE ICE Optic Ready TFS is designed to deliver exceptional shooting performance while ensuring striking aesthetics. Equipped with a threaded barrel for a sound moderator, it allows for quieter and more accurate shooting. Its Optic Ready compatibility facilitates the installation of reflex or holographic sighting systems, increasing shooting accuracy at all distances.

The distinctive ICE finish ensures excellent resistance to corrosion and wear, even under heavy use. Slide cutouts on the top and sides reduce the weight of the weapon while improving cooling and return speed to position.

The Kimber RAPIDE ICE TFS features Tru-Glo TFX Pro sights for fast target acquisition, even in low light. Its ergonomic G10 grip provides a firm, comfortable grip for extended shooting sessions. The skeletonized aluminum trigger provides a crisp, precise release.

Whether you are a sports shooter or a demanding professional, the Kimber 1911 RAPIDE ICE TFS will meet your expectations thanks to its innovative design and exceptional performance.
