The Stainless II family's precision, reliability and renowned Kimber features set the standard against which all other 1911 models and brands are measured.

The Kimber 1911 Stainless Target II is a high-precision semi-automatic pistol, designed for demanding shooters. Inspired by the classic Colt 1911, this model stands out with its stainless steel finish, providing exceptional durability and corrosion resistance. Equipped with a match grade quality barrel and adjustable sights, it ensures remarkable shooting precision. Its careful ergonomics and reliable mechanism make it a preferred choice both for sports shooting and for lovers of fine firearms. The Kimber 1911 Stainless Target II combines tradition and modern performance, making every shooting session a superior experience.

- Caliber 9x19 or .45 ACP
