Ever since weapons began to be made from metals, blades have always had their place in the hands of warriors during conflict. Although designs have changed over the years, the infantry knife has had a rich and storied history in the military, having evolved from its earliest days as a tool designed for close quarters combat, to becoming an indispensable weapon for soldiers fighting in the trenches.

Inspired by this vast and illustrious history, Toor is honored to introduce the Valor MK1. This blade is an updated version of the infantry knife, using improved materials and advanced manufacturing processes from

Toor Knives, for the next generation fighter.
